### **About Renalytix**

Renalytix (NASDAQ: RNLX) (LSE: RENX) is an in-vitro diagnostics and laboratory services company that is the global founder and leader in the new field of bioprognosis™ for kidney health. The leadership team, with a combined 200+ years of healthcare and in-vitro diagnostic experience, has designed its KidneyIntelX laboratory developed test to enable risk assessment for rapid progressive decline in kidney function in adult patients with T2D and early CKD (stages 1-3). We believe that by understanding how disease will progress, patients and providers can take action early to improve outcomes and reduce overall health system costs. ### **Important Notices**

Stifel Nicolaus Europe Limited and Oberon Investments Limited are authorised and regulated in the United Kingdom by the Financial Conduct Authority ("FCA") and are acting exclusively for the Company and for no one else in connection with the

subject matter of this announcement and will not be responsible to anyone other than Renalytix for providing the protections afforded to its clients nor for providing advice in relation to the subject matter of this announcement.

This announcement is not intended to, and does not, constitute or form part of any offer, invitation or the solicitation of an offer to purchase, otherwise acquire, subscribe for, sell or otherwise dispose of, any securities whether pursuant to this announcement or otherwise.

This announcement (including any information incorporated by reference in this announcement) and other information published by the Company contain statements about the Company that are or may be deemed to be forward looking statements. Without limitation, any statements preceded or followed by or that include the words "targets", "plans", "believes", "expects", "aims", "intends", "will", "may", "anticipates", "estimates", "projects" or words or terms of similar substance or the negative thereof, may be forward looking statements.

These forward-looking statements are not guarantees of future performance. Such forward-looking statements involve known and unknown risks and uncertainties that could significantly affect expected results and are based on certain key assumptions. Many factors could cause actual results to differ materially from those projected or implied in any forward-looking statements. Due to such uncertainties and risks, readers should not rely on such forward-looking statements, which speak only as of the date of this announcement. The Company disclaims any obligation or responsibility to update publicly or review any forward-looking or other statements contained in this announcement, except as required by applicable law.

The distribution of this announcement in jurisdictions outside the United Kingdom may be restricted by law and therefore persons into whose possession this announcement comes should inform themselves about, and observe, such restrictions. Any failure to comply with the restrictions may constitute a violation of the securities law of any such jurisdiction.
