Notice of Annual General Meeting

TO BE HELD AS A “VIRTUAL MEETING” ONLY

No person should construe the contents of this document as legal, tax or financial advice and recipients of this document should consult their own advisers as to the matters described in this document.

This document should be read as a whole. Your attention is drawn to the letter from Christopher Mills, the Interim Chairman of the Company, on pages 3 to 6 of this document in which the Directors recommend that you vote in favour of each of the Resolutions to be proposed at the Annual General Meeting referred to below.

All voting on the resolutions at the AGM will be conducted on a poll, which means that you should submit your proxy as soon as possible. There will be a limited opportunity to submit a poll card during the virtual meeting.

2 November 2020

Dear Shareholder,

Notice of 2020 Annual General Meeting

1. Introduction

The 2020 Annual General Meeting of the Company will be held virtually at 2:00 p.m. (GMT) on 7 December 2020.

In light of the ongoing COVID-19 pandemic and with a view to taking appropriate measures to safeguard its shareholders' health and make the AGM as safe and efficient as possible, the Company is invoking certain provisions in the Articles which permit the holding of virtual shareholder meetings.

In addition to highlighting the usual business to be transacted at the Annual General Meeting, this document explains the background to the Resolutions which will be considered at the Annual General Meeting, why the Directors consider the Resolutions to be in the best interests of shareholders as a whole and why they recommend that you vote in favour of the Resolutions.

2. How to vote

You will not receive a hard copy form of proxy for the Annual General Meeting in the post. Instead, you will be able to submit a proxy electronically using the link www.signalshares.com. You will need to log into your Signal Shares account, or register if you have not previously done so. To register you will need your Investor Code, which is detailed on your share certificate or available from our Registrar, Link Asset Services. Proxies submitted electronically must be submitted by no later than 2:00 p.m. (GMT) on 3 December 2020.

You may request a hard copy form of proxy directly from Link Asset Services on +44 (0)371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00 - 17:30 (GMT), Monday to Friday excluding public holidays in England and Wales. Hard copy forms of proxy must be received by no later than 2:00 p.m. (GMT) on 3 December 2020.

A proxy may also be appointed by CREST members, by using the CREST electronic proxy appointment service, further details of which are set out in the Notice of Annual General Meeting. Proxies submitted via CREST (under ID RA10) must be submitted as soon as possible and in any event so as to be received by no later than 2:00 p.m. (GMT) on 3 December 2020 in order to be valid.

3. How to attend and speak at the meeting

If you wish to attend the Annual General Meeting virtually you will need to register by contacting Walbrook PR via email at investors@renalytixai.com or call +44 (0)20 7933 8790.

If you wish to raise a question at the Annual General Meeting, we ask that you submit your question in advance. We would politely remind you that the Directors will not answer questions relating to the individual rights of shareholders at the Annual General Meeting itself, but if you wish to submit such a question by email, we will respond to the extent we are able.

If you chose to submit a question, we will confirm to you at least 48 hours in advance of the meeting that the question will be addressed. Unless you specifically request otherwise, the Chairman of the meeting will put your question to the meeting and identify you by name as the person who has put the question (in the same way as he would ask you to identify yourself at an in-person meeting). Conducting the meeting in this way will allow everyone present to clearly hear the question.

In addition, there will be a short period at the start of the meeting for additional questions, but we would be very grateful if any matters could be raised in advance, as this will enable questions to be dealt with expediently.

Questions on the day will be taken by shareholders using the electronic "raise your hand" feature or typing their question into the Q&A box in the meeting. You will be kept on mute by the meeting host unless and until you are invited to ask your question(s).

Please submit any questions by email to investors@renalytixai.com with the subject line "AGM Question".

4. Resolutions

The business to be conducted at the Annual General Meeting consists of consideration of the following Resolutions. Resolutions 1 to 5 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 6 and 7 are proposed as special resolutions. This means that for each of these resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1 – Annual Report and Accounts

The Directors are required by the Act to lay the Company's Annual Report before members at the Annual General Meeting. In accordance with best practice, the Company proposes an ordinary resolution to receive and adopt the Annual Report.

Resolution 2 – Re-appointment of a Director

Article 83.1 of the Articles requires that at each annual general meeting any Director who has been appointed by the Board since the last annual general meeting, or who held office at the time of the two preceding annual general meetings and who did not retire at either of them, or who has held office (other than a Director holding an executive position) for a continuous period of nine years or more at the date of such annual general meeting, shall retire from office and may offer himself for re-appointment by the members.

On 14 October 2019, the Company announced that Dr Chirag Parikh had been appointed by the Board as a non-executive Director. In accordance with the Articles, Dr Parikh may only be appointed by the Board until the annual general meeting next following his appointment, at which he must retire but is eligible to stand for re-appointment. A biography of Dr Parikh is contained in the announcement of his appointment available from the Company's Investor Relations website (<https://investors.renalytixai.com/news-releases/news-release-details/board-appointment>). The Board believes that Dr Parikh has brought, and will continue to bring, a wealth of experience to the Board and therefore considers it entirely appropriate for him to seek re-appointment at the Annual General Meeting.

Resolutions 3 and 4 – Appointment and remuneration of the auditor

The Company is required to appoint an auditor at each general meeting at which accounts are laid before the members, to hold office until the conclusion of the next such meeting. Resolution 3 is

an ordinary resolution to re-appoint Messrs PKF Littlejohn LLP as the Company's auditor to hold office until the conclusion of the next general meeting at which accounts are laid.

Resolution 4 is an ordinary resolution to authorise the Directors to determine the auditors' remuneration.

Resolutions 5 and 6 – Authority to allot shares and disapplication of pre-emption rights

The Directors may only allot shares or grant rights to subscribe for or convert any security into shares (other than pursuant to an employees' share scheme as defined in the Act) if authorised to do so by shareholders. The Directors also require additional authority from shareholders to allot equity securities (as defined in the Act) where they propose to do so for cash and otherwise than to existing shareholders pro rata to their holdings. The authorities granted at the annual general meeting on 30 September 2019 are due to expire at the Annual General Meeting. Resolutions 5 and 6, if passed, will continue to give the Directors flexibility to act in the best interests of the shareholders, where the opportunity arises, by issuing new shares.

Resolution 5 will be proposed as an ordinary resolution to grant a new authority to allot new shares or grant rights to subscribe for or convert any security into shares up to an aggregate nominal value of £59,424.45, representing approximately 33% of the Company's issued ordinary share capital, and a further authority to allot an additional approximately 33% of the Company's issued share capital provided that such allotment is reserved for rights issues in accordance with the Investment Association Guidelines.

Resolution 6 will be proposed as a special resolution to allot equity securities for cash and/or sell Ordinary Shares held by the Company as treasury shares otherwise than to existing shareholders pro rata to their holdings. Other than in connection with a pre-emptive offer, this authority will be limited to shares of a maximum aggregate nominal value of £18,007.41, being approximately 10% of the issued ordinary share capital.

These authorities, if given, will expire (unless previously renewed, revoked or varied) at the earlier of the conclusion of the next annual general meeting of the Company to be held in 2021 or on 7 March 2022, being 15 months after the relevant resolution is passed.

The Directors consider it important that they have this authority to provide some flexibility in relation to the issue of shares on a non pre-emptive basis. There are no present plans to issue shares other than in connection with the Company's equity incentive plans.

Resolution 7 – Authority to purchase shares

Resolution 7, which will be proposed as a special resolution, seeks authority to enable the Company to purchase its Ordinary Shares on AIM during the period until the next annual general meeting of the Company or 31 December 2021, if earlier, for up to 7,202,963 ordinary shares, representing approximately 10% of the issued share capital of the Company. This authority would only allow for purchases of Ordinary Shares on AIM and would not allow for purchases of American Depositary shares representing Ordinary Shares on Nasdaq.

The price payable (excluding expenses) shall not be more than the higher of (i) 105% of the average of the middle market quotations as derived from the AIM section of the Daily Official List of the London Stock Exchange plc for the Ordinary Shares for the five business days before the purchase is made and (ii) the higher of the price quoted for the last independent trade of, and the highest current independent bid for, any number of the Ordinary Shares as derived from the London Stock Exchange trading system. The price payable shall not be less than £0.0025 per share, being the nominal value of the Ordinary Shares.

In certain circumstances, it may be advantageous for the Company to purchase its own shares for either cancellation or to be held as treasury shares available for sale and this resolution seeks authority to do this.

This power will only be used if the Directors consider that to do so would promote the success of the Company and be in the best interests of the Company and its shareholders as a whole. The Company would, within the guidelines set from time to time by the Board, make either a single purchase or a series of purchases, when market conditions are suitable, with the aim of maximising the benefits to shareholders. The Board considers that it will be most advantageous to shareholders for the Company to be able to make such purchases as and when it considers market conditions to be favourable and therefore does not propose to set a timetable for making any such purchases.

Under the Act, the Company is allowed to hold any Ordinary Shares purchased in the market in treasury rather than cancelling them. This gives the Company the ability to sell treasury shares quickly and cost-effectively and would provide the Company with additional flexibility in the management of its capital base. The Directors will decide at the time of any purchase which option to pursue. Shares held in treasury have their voting and dividend rights suspended. The Directors will have regard to any guidelines issued by investor groups as at the time of any such purchase with respect to the holding or resale of treasury shares.

As at 2 November 2020 (the last practicable date prior to the publication of this Notice of Annual General Meeting) options to subscribe for a total of 3,408,858 ordinary shares were outstanding under the Company's equity incentive schemes, representing approximately 4.73% of the issued share capital of the Company at that date and approximately 5.26% of the issued share capital of the Company if the authority sought by this resolution were to be exercised in full.

5. Recommendation

The Directors consider the Resolutions to be in the best interests of the Company and its shareholders as a whole. Accordingly, the Directors unanimously recommend that shareholders vote in favour of the Resolutions to be proposed at the AGM, as they intend to do in respect of their own beneficial holdings.

Yours faithfully,

Christopher Mills
Interim Non-Executive Chairman

Ordinary Resolutions

1. To receive and adopt the accounts for the year ended 30 June 2020 together with the reports of the Directors and the auditors thereon.
2. To re-appoint Chirag Parikh as a Director of the Company who, having been appointed since the last annual general meeting, is retiring in accordance with Article 83.1 of the Company’s articles of association and, being eligible, is offering himself for re-appointment.

4. To authorise the Directors of the Company to determine the auditors’ remuneration.
5. That in substitution for any existing such authorities (but without prejudice to any allotment of Relevant Securities (as defined in (i) below) made or agreed to be made pursuant to such authorities), the Directors be and they are hereby generally and unconditionally authorised pursuant to section 551 of the Companies Act 2006 (the “**Act**”) to exercise all the powers of the Company:
 - (i) to allot shares and grant rights to subscribe for, or convert any security into, shares of the Company (all of which transactions are hereafter referred to as an allotment of “**Relevant Securities**”) up to an aggregate nominal amount of £59,424.45 (representing approximately 33% of the Company’s issued share capital); and
 - (ii) to allot further equity securities (within the meaning of Section 560(1) of the Act) up to an aggregate nominal amount of £59,424.45 (representing approximately 33% of the Company’s issued share capital) in connection with a rights issue in favour of shareholders where the equity securities respectively attributable to the interest of the shareholders are proportionate (as nearly as practicable) to the respective numbers of ordinary shares held by them, which satisfies the conditions and may be subject to all or any of the exclusions specified in paragraph (i) of Resolution 6.

The authorities conferred by this resolution shall expire (unless previously revoked or varied by the Company in general meeting) at the conclusion of the next annual general meeting of the Company or the close of business on 7 March 2022, whichever is the earlier, save that the Company may, before such expiry, revocation or variation, make an offer or agreement which would or might require Relevant Securities to be allotted after such expiry and the directors may allot Relevant Securities in pursuance of such an offer or agreement as if the authority conferred hereby had not expired or been revoked or varied.

Special Resolutions

That, subject to and conditional upon the passing of Resolution 5 above, the Directors be given power in accordance with sections 570 and 573 of the Act to allot equity securities (as defined in section 560 of the Act) for cash pursuant to the authority conferred by Resolution 5 above and/or sell treasury shares as if section 561(1) of the Act did not apply to any such allotment or sale provided that this power shall be limited to:
- (i) the allotment of equity securities in connection with an offer or issue of equity securities (but in the case of the authority granted under paragraph (ii) of Resolution 5 by way of a rights issue only) to or in favour of (a) holders of ordinary shares in proportion (as nearly as may be practicable) to their existing holdings and (b) holders of other equity securities if this is required by the rights of those securities or, if the Directors consider it necessary, as permitted by the rights of those securities, and so that the Directors may make such exclusions or other arrangements as they consider expedient or necessary in relation to fractional entitlements, record dates, shares represented by depositary receipts, the use of more than one currency for making payments in respect of such offer, treasury shares, legal or practical problems under the laws in any territory or the requirements of any relevant regulatory body or stock exchange or any other matter; and
 - (ii) the allotment of equity securities for cash pursuant to the authority granted under paragraph (i) of Resolution 5 (otherwise than under paragraph (i) of this Resolution 6) up to a maximum aggregate nominal amount of £18,007.41, which represents approximately 10% of the Company's issued share capital.

The power conferred by this resolution shall expire (unless previously revoked or varied by the Company in general meeting) at the conclusion of the next annual general meeting of the Company or the close of business on 7 March 2022, whichever is the earlier, save that the Company may before such expiry, revocation or variation make an offer or agreement which would or might require equity securities to be allotted or treasury shares to be sold after such expiry, revocation or variation and the Directors may allot equity securities and sell treasury shares pursuant to such offer or agreement as if the power hereby conferred had not expired or been revoked or varied. This power is in substitution for any and all powers previously conferred on the Directors under Section 570 of the Act, but without prejudice to any allotment of equity securities made or agreed to be made pursuant to such powers.

7. That the Company be and is generally and unconditionally authorised for the purposes of section 701(1) of the Act to make one or more market purchases (within the meaning of section 693(4) of the Act) on the London Stock Exchange of ordinary shares of £0.0025 each in the capital of the Company ("**Ordinary Shares**") on such terms and in such manner as the Directors may from time to time decide provided that:
- (i) the maximum aggregate number of Ordinary Shares authorised to be purchased is 7,202,963 (representing approximately 10% of the Company's issued ordinary share capital);
 - (ii) the minimum price (excluding expenses) which may be paid for an Ordinary Share is £0.0025 per share;

11. To change your proxy instructions simply submit a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments (see above) also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded. Where you have appointed a proxy using the hard-copy proxy form and would like to change the instructions using another hard-copy proxy form, please contact Link Asset Services at the contact details noted in note 5 above. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.
12. In order to revoke a proxy instruction you will need to inform the Company by contacting Link Asset Services on 0371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00 - 17:30, Monday to Friday excluding public holidays in England and Wales. In the case of a member which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice. The revocation notice must be received by Link Asset Services no later than 2:00 p.m. (GMT) on 3 December 2020. If you attempt to revoke your proxy appointment but the revocation is received after the time specified then, subject to the paragraph directly below, your proxy appointment will remain valid.
13. Appointment of a proxy does not alone preclude you from attending the Annual General Meeting virtually and voting in person.
14. Any corporation which is a member of the Company can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same Ordinary Shares.
15. As at 5 p.m. (GMT) on the day immediately prior to the date of posting of this notice of Annual General Meeting, the Company's issued share capital comprised 72,029,634

Ordinary Shares. Each Ordinary Share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company as at 5.00 p.m. (GMT) on the day immediately prior to the date of posting of this Notice of Annual General Meeting is 72,029,634.

16. You may not use any electronic address provided either in this Notice of Annual General Meeting or any related documents (including any hard copy form of proxy) to communicate with the Company for any purposes other than those expressly stated.
17. Any member attending the meeting has the right to ask questions. However, please refer to the note 2 above for information about questions at the meeting.
18. In accordance with the Articles, voting on all resolutions at the Annual General Meeting will be on a poll rather than a show of hands.
19. A copy of this Notice, and other information required by Section 311A of the Act, can be found on the Company's website at www.renalytixai.com.
20. Under section 527 of the Act, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to:
 - (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or
 - (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act.

The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on a website.
